Our love for cooking was born out of a passion for creating exceptional flavors and the joy of sharing them with others. Our culinary journey began with the establishment of Koku Sushi. This success inspired us to create Mr. Pizza, and now we proudly open PanItalia – a place where Italian cuisine meets our passion for cooking.

With each new restaurant, we strive to make Lubań a notable spot on Poland's gastronomic map, where unique culinary experiences can be discovered. We believe that through our efforts and love for cooking, Lubań will become a destination every food lover will want to visit.
